## Become a PastWalker by ‘bagging’ these plaques

Bagging is an old sporting term given new life by walkers and climbers in the Scottish Highlands who indulge in 'Munro Bagging' to claim each mountain ascent. This unique London village walk includes a list of plaques which can be 'bagged' by the intrepid walker. However, in order to keep this 'sport' under some sort of control we have set up some rules and guidance.

### Scoring

|                                      |                |
|--------------------------------------|----------------|
| Old RSA or early LCC plaques         | 3 points each. |
| LCC or English Heritage Blue plaques | 2 points each. |
| Local Authority plaques              | 2 points each. |
| Society and Friends plaques          | 1 point each.  |
| Other plaques                        | 1 point each.  |

Only plaques approved by heritage.london will count towards your score.

Proposals for inclusion in the listing are welcome but our decision is final.

Monuments are not normally included but there are some exceptions,  
such as Mozart's charming statue near Sloane Square  
and Dick Whittington's cat on Highgate Hill.

### Planning Your Walk

If possible, walk with a friend  
Tell someone where you are going  
Take care when walking at night  
Wear sensible clothes and footwear  
Take a bottle of water to avoid de-hydration  
Don't try to do too much in one visit  
Check the opening times of all Museums and Galleries online  
Don't forget to take your camera with batteries fully charged

Please note that there are very few plaques located along both parts of this walk. Prominent GCR features photographed during the original construction, such as bridges, churches, viaducts and tunnels are included alongside modern photos, but are not given a heritagewalks score.
